BUSINESS INFORMATION TO SUPPORT THE CURRICULUM

FREE, authoritative information available to all, with SPECIALIST staff on hand to provide ADVICE and guide students on PRACTICAL RESEARCH

WE CAN

- help students find out about markets using recognised sources which are not available freely on the Internet
- provide advice on business start-up which includes how to write a business plan
- offer information relevant to business studies, arts and design, hospitality, administration and other courses
- identify local companies and provide company information
- help students find out about brands and the history of large companies

Workshops and visits available in Belfast Central Library, Derry Central Library and other library locations.

For bookings -
