Go ON is an exciting support/training programme for people who want to find out more about technology and computers in a relaxed environment and at their own pace. These computer courses are held in local libraries with experienced staff on hand to help. Go ON allows people to enhance their computer skills by offering help to do lots of everyday tasks on the computer. Go ON sessions are free but you must be a library member to participate. Library membership is free for everyone. To join all you need to do is bring a form of identification with proof of address.

Contact the library directly to book your place.

GO ON sessions are held in the following libraries -
