Go ON computer courses are held in local libraries with experienced staff on hand to help. Go ON allows people to enhance their computer skills by offering help to do lots of everyday tasks on the computer. Go ON sessions are free but you must be a library member to participate. Library membership is free for everyone. To join all you need to do is bring a form of identification with proof of address. There are also one-to-one sessions available - please ask library staff for details.

Contact the library directly to book your place. Booking essential

GO ON sessions are held in the following libraries -
