

## Apps to help the environment

Use your time in Lockdown to learn more about how to look after our world. Shop sustainably, cut down on food waste, reduce your plastic consumption and carbon footprint

*Note: All these apps are free initially, but some will offer in-app purchases, and may contain ads*

For Food Waste Warriors	
	<p><b>Olio</b> This app is designed to combat food waste. Connect with your neighbours and local shops so that surplus food and unwanted items can be shared, not thrown away. You can check out a user's profile and star rating before sharing. <b>Android and iOS</b> <b>FREE</b></p>
	<p><b>Too Good To Go</b> Another app to combat food waste. It puts you in contact with food producers, including restaurants, bakeries and supermarkets with have leftover food that is time limited. You pay for it a low price through the app and then collect it. <b>Android and iOS</b> <b>FREE</b></p>
	<p><b>Gander</b> This relatively new NI app displays reduced-to-clear food and drink at local supermarkets and convenience stores. Bargains display in real time, so when food is sold it is removed from the list. <b>Android and iOS</b> <b>FREE</b></p>
For Sustainable Shoppers	
	<p><b>Giki Badges</b> Giki is a sustainable shopping companion – you can use the app to scan thousands of UK supermarkets to see if they are sustainable, healthy and fair. Giki awards badges for performance on various criteria such as health or sustainability. <b>Android and iOS</b> <b>FREE</b></p>
	<p><b>Think Dirty – Shop Clean</b> This app allows you to find out what toxic chemicals may be contained in beauty and personal care products. Provides barcode scanning results for 850,000 products. <b>iOS and Android</b> <b>FREE</b></p>
	<p><b>CoGo – Connecting Good</b> Make ethical spending and lifestyle choices and calculate your carbon footprint. <b>Android and iOS</b> <b>FREE</b></p>

For Fashionistas	
	<p><b>Renoon - Sustainable Fashion</b> Search through thousands of products that meet high sustainability criteria. Shop ethically and find out about the latest innovations. <b>Android and iOS</b> <b>FREE</b></p>
	<p><b>Good On You –Ethical Fashion</b> The app includes over 2000 fashion labels assessed for their impact on people, the planet and animals. Helps you discover ethical and sustainable fashion labels. <b>Android and iOS</b> <b>FREE</b></p>
For Activists	
	<p><b>Eco Life Hacks – Your Sustainable Coach</b> Simple ecological tips to help you save money and reduce your carbon footprint. <b>Android and iOS</b> <b>FREE</b></p>
	<p><b>My Little Plastic Footprint</b> Go on a plastic diet to reduce your plastic waste and try to counter the damage that damage is doing to our health and environment. The app helps you calculate your plastic consumption and to choose sustainable alternatives. <b>iOS and Android</b> <b>FREE</b></p>
	<p><b>Ecosia – For Trees and Privacy</b> Ecosia is a privacy browser app that not only promises to give you a private browsing experience, but also to use profits to plant a billion new trees by 2020. The company owns a solar plant, so searches are powered with renewable energy. <b>iOS and Android</b> <b>FREE</b></p>
	<p><b>Sustainable Life App</b> Connect with brands or businesses who share your values <b>Android and iOS</b> <b>FREE</b></p>
	<p><b>Go Green Challenge</b> An ecological companion to help you make the world a little bit greener. It gives you daily and weekly tasks to solve to help you improve your impact on the environment. <b>Android and iOS</b> <b>FREE</b></p>
