

Online Learning – try it out!

FutureLearn

Futurelearn is one of many online learning sites out there that offers some free courses. <https://www.futurelearn.com/>

FutureLearn is part owned by the Open University, and partners with top international universities, for example University of Cape Town, Durham University, Trinity College Dublin, and specialist organizations, such as The British Council and UNESCO, to offer online courses and degrees.

These are a sample of the 100+ courses that FutureLearn is currently offering for free. When you find a course that you'd like to enrol on, select JOIN. You will then be asked to register. There will be several options about payment:

FREE will give you limited access to the course for a number of weeks.

UPGRADE will give you longer access as well as the chance to do assessments and gain a certificate,

and UNLIMITED allows you access to hundreds of courses for a period of one year.

Below are examples of some of the FutureLearn courses that you can do for free:

Literature - The Book of Kells: Exploring an Irish Medieval Masterpiece

Discover medieval Ireland using the Book of Kells, a ninth-century manuscript featuring the four gospels of the New Testament.
