1. Introduction

- 1.1 In the delivery of public library services Libraries NI operates a sizable mixed vehicle fleet. The operation of this fleet obliges Libraries NI to comply with a range of legislative requirements in relation to the vehicles owned and operated by the organisation and to ensure as far as is possible the health and safety of employees operating these vehicles.

2. Purpose

- 2.1 The purpose of this policy is to provide the framework whereby the operation of vehicles by Libraries NI is undertaken in a safe and legal manner.

Specifically the policy seeks to ensure compliance with the duty of care implicit in the Health and Safety at Work (Northern Ireland) Order 1978 and assist staff in meeting the requirements of the :

- Goods Vehicle (Licensing of Operators) Act (Northern Ireland) 2010
- Vehicle (Drivers' Hours of Duty) Regulations (Northern Ireland) 1991
- Road Traffic (Northern Ireland) Order 1981
- The Highway Code
- The Motor Vehicles (Driving Licenses) Regulations (Northern Ireland) 1996

3. Policy

- 3.1 Libraries NI will:

- comply with the Goods Vehicle (Licensing of Operators) Act (Northern Ireland) 2010 and other relevant vehicle/driver legislation and regulations
- ensure vehicles owned by the organisation are appropriately insured, licenced (Road Fund) and meet statutory safety testing requirements (MOT/PSV)
- maintain fleet vehicles in a safe and roadworthy condition
- provide professional driver¹ training where appropriate
- operate/analyse tachographs and monitor driver working hours where appropriate
- undertake driver licencing checks to ensure driving entitlements are appropriate to the type of vehicle being operated and that drivers are medically fit to undertake driving duties.

¹ Professional drivers are defined as employees for whom driving duties form a core part of their daily work pattern e.g. Drivers of mobile libraries, Homecall Service, Stock/Delivery support.

4. Authority

- Policy Sponsor: Director of Business Support
- Policy Owner: Assets Manager
- Policy Contact: Fleet Transport Manager
