# Libraries NI

## Partnership Policy

### 1. Introduction

- 1.1 Libraries NI is committed to partnership working as an important means of achieving its corporate goals, especially:
  - supporting literacy and promoting a love of reading
  - contributing to social and community well-being
  - promoting economic well-being.
- 1.2 This approach is enshrined in 'Our Key Principles', one of which is "*we will develop mutually beneficial strategic partnerships to widen access and optimise the use of scarce resources*".
- 1.3 Libraries NI recognises that partnership work may involve membership of formally constituted groups such as Community Planning Partnerships as well as direct engagement with one or more other organisations in order to deliver mutually beneficial agreed objectives.
- 1.4 Libraries NI also recognises that the potential for partnership work far exceeds organisational capacity and that this can be a resource intensive way of working that requires careful management.

### 2. Purpose

- 2.1 The purpose of the policy is to ensure that partnership work is carried out in a way that maximises the benefits for library users and services.

### 3. Policy

- 3.1 Libraries NI will develop partnerships which:
  - increase library use and the level of activity within libraries
  - enable existing services to be developed, improved or extended
  - enable new services to be developed
  - enable Libraries NI to increase the range of customers and its services
  - enable services to be delivered more efficiently
  - raise the profile of Libraries NI
  - enable Libraries NI to demonstrate its contribution to departmental, community planning and government priorities
  - enable Libraries NI to achieve its organisational objectives
  - help ensure sustainability of library services and of the library network.

3.2 Libraries NI recognises that partnerships operate at many different levels. However a number of principles apply to all partnerships.

3.3 Libraries NI will

- be proactive and selective in the development of partnerships
- manage its partnership work, based on good practice guidelines
- document its partnerships appropriately
- keep its partnerships under review
- consider the potential for partnership working when business planning and developing policy and strategy.
