

Empathy Day Bingo Card How to Play

libraries **ni**

- 1.** Print off one copy for each student taking part in the game.
- 2.** Each student takes the sheet home.
- 3.** Student marks off when they observe themselves, a family member or a friend showing empathy through completing one of the activities on the grid.
- 4.** Return bingo card to class and see how many actions have been completed, these can then be displayed in the classroom.

How many empathy actions did your class complete?

- 5.** Post photos of completed bingo cards and displays online #empathyday
